Dear Shareholder

### Annual General Meeting

The Annual General Meeting (AGM) of McBride plc (the Company) is to be held at 1st Floor, Centre Point, 103 New Oxford Street, London WC1A 1DD on Monday 25 October 2010 at 2.30 pm. The formal notice convening the meeting is set out on pages 5 to 10 of this document. This document describes, and gives a detailed explanation of, each resolution to be proposed at the AGM.

### Explanatory Notes

The following paragraphs set out in summary form the resolutions to be proposed at the AGM.

### Ordinary Resolutions

#### Report and accounts – Resolution 1

The directors are required to present the financial statements of the Company for the year ended 30 June 2010, together with the reports of the directors and auditors, to the AGM. The annual report and accounts include the business review and statements on the Group's compliance with corporate governance and on corporate social responsibility.

#### Directors' remuneration report – Resolution 2

This resolution is to receive and approve the directors' remuneration report for the year ended 30 June 2010. The report is set out on pages 70 to 76 of the annual report.

#### Payment of final dividend – Resolution 3

The directors recommend the payment of a final dividend on the ordinary shares of the Company of 4.8 pence per share (to be paid on 26 November 2010 to all ordinary shareholders who are on the register of members at close of business on 29 October 2010).

#### Re-election of directors – Resolutions 4, 5, 6, 7, 8 and 9

(biographical details are set out on page 48 of the 2010 annual report)

The performance of the board as a whole, as well as the contribution made by the individual non-executive directors, has been reviewed during the course of the year. After considering this evaluation the board considers that the individuals continue to demonstrate a great deal of commitment to their roles and that their respective skills complement each other to enhance the overall operation of the board.

All the directors offer themselves for re-election as directors:

**Iain Napier** – joined the board on 1 July 2007 as non-executive Chairman. Iain retires and, being eligible, offers himself for re-election. He has strong experience of international, consumer goods markets and brings proven leadership skills to the board.

**Richard Armitage** – appointed on 1 November 2009

Richard, having been appointed since the last AGM and being eligible, offers himself for election. He was appointed as Group Finance Director of the Company on 1 November 2009 and has experience in the chemical industry where he has worked in several senior financial management roles.

**Christine Bogdanowicz-Bindert** – joined the board on 1 September 2003

Christine retires and, being eligible, offers herself for re-election. She is an international financier and has valuable knowledge of overseas markets in the Group's field of operation, in particular in Central and Eastern Europe.

**Chris Bull** – appointed on 4 May 2010

Chris, having been appointed since the last AGM and being eligible, offers himself for election. He was appointed as Chief Executive on 4 May 2010 and has a strong international commercial background.

**Robert Lee** – joined the board on 1 September 2003

Robert retires and, being eligible, offers himself for re-election. He brings knowledge of the petrochemical industry and purchasing to the board.

**Colin Smith** – joined the board on 4 April 2002

Colin retires and, being eligible, offers himself for re-election. He brings experience of the UK retail sector and financial accounting to the board.

**Re-appointment of auditors – Resolution 10**

This resolution proposes the re-appointment of KPMG Audit Plc as auditors of the Company to hold office from the conclusion of the AGM until the conclusion of the next general meeting at which accounts are laid before the Company.

**Auditors' remuneration – Resolution 11**

This resolution proposes that the remuneration of the auditors be determined by the directors.

**Donations to political organisations – Resolution 12**

This resolution will give the Company and each relevant subsidiary the authority for the purposes of section 366 of the Companies Act 2006 (the Act) to make or incur:

- donations to political parties or independent election candidates;
- donations to political organisations other than political parties;
- political expenditure,

in each case during the period beginning with the date of the passing of this resolution and ending at the conclusion of the AGM in 2011, provided that the aggregate amount of political donations and political expenditure made or incurred by the Company and each relevant subsidiary pursuant to this resolution shall not exceed £50,000.

Whilst it remains the Company's policy not to make donations or incur expenditure for party political purposes, the need for this resolution arises in order to prevent any inadvertent breach of the provisions of the Act which prohibit the making of political donations or incurring of political expenditure without authority. An inadvertent breach could occur as the definitions of 'political donations' and 'political expenditure' under the Act are potentially open to wide interpretation.

**Authority to allot ordinary shares – Resolution 13**

Your directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised by the shareholders. The authority previously given to the directors at the last AGM of the Company will expire at this year's AGM. This resolution will grant the directors authority to allot ordinary shares and grant rights to subscribe for, or convert any security into, ordinary shares (a) up to an aggregate nominal amount of £6 million and (b) comprising equity securities up to an aggregate nominal amount (when added to allotments under part (a) of this resolution) of £12 million where the allotment is in connection with a rights issue.

These amounts represent approximately one third and two thirds respectively of the total issued ordinary share capital of the Company (excluding treasury shares) as at 2 September 2010. If given, these authorities will expire at the conclusion of the AGM in 2011. Where usage of these authorities exceeds the thresholds suggested by the Association of British Insurers (the "ABI") in their December 2008 guidance, your directors will stand for re-election at the following AGM to the extent required by the ABI.

The Company held 817,164 treasury shares as at 2 September 2010 representing 0.453% of the issued ordinary share capital (excluding treasury shares). The directors have no present intention to exercise this authority other than in respect of the Company's obligations under the share option and incentive schemes.

## Special resolutions

### Power to allot ordinary shares for cash – Resolution 14

This resolution seeks to renew the directors' power to allot equity securities or sell treasury shares for cash in certain limited circumstances otherwise than to existing shareholders pro rata to their holdings. The power granted at the last AGM is due to expire at this year's AGM. Apart from offers or invitations in proportion to the respective number of shares held, the power is limited to the allotment of equity securities and the sale of treasury shares for cash up to an aggregate nominal value of £901,116 (being 5% of the issued ordinary share capital (excluding treasury shares) as at 2 September 2010). If given, this power will expire at the conclusion of the AGM in 2011.

Your directors will have due regard to institutional guidelines in relation to any exercise of this power, in particular the requirement for advance consultation and explanation before making any non pre-emptive cash issue pursuant to this resolution which exceeds 7.5% of the Company's issued share capital in any rolling three year period.

### Purchase of own shares – Resolution 15

The directors also consider it appropriate to renew shareholders' approval to enable the Company to purchase its own shares. Accordingly, this special resolution seeks authority to enable the Company to make market purchases of up to 18,022,000 of its own ordinary shares (being approximately 10% of the issued ordinary share capital (excluding treasury shares) as at 2 September 2010). The maximum price (exclusive of expenses) which may be paid for each share shall be an amount equal to the higher of (i) 105% of the average of the middle market quotations for an ordinary share in the Company derived from the London Stock Exchange Daily Official List for the five business days immediately prior to the day on which the share is contracted to be purchased and (ii) the price stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation 2003. The minimum price (exclusive of expenses) per share shall be 10 pence, being the par value of the shares.

Any shares purchased under this authority will be either cancelled and the number of shares in issue reduced accordingly or held as treasury shares in accordance with the Act. Shares held in treasury can be cancelled, sold for cash or, in appropriate circumstances, used to meet obligations under employee share schemes. The Company expects to hold repurchased shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. Any issue of treasury shares for the purposes of the Company's employee share schemes will be made within any applicable anti-dilution limits set by the ABI. Any shares held in treasury would not be eligible to vote nor would any dividend be paid on any such shares.

The directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. This authority would be used only after careful consideration by the directors, having taken into account market conditions prevailing at the time and the business needs and investment demands of the Company, and the directors will only utilise this authority if satisfied that this would result in an increase in earnings per share and it is in the best interests of shareholders generally. If given, this authority will expire at the conclusion of the AGM in 2011.

As at 2 September 2010 the total number of outstanding options to subscribe for ordinary shares was 3,654,937. This represents 2.03% of the Company's issued ordinary share capital (excluding treasury shares). If the authority to purchase the Company's ordinary shares was exercised in full these options would then represent 2.22% of the Company's issued share capital (excluding treasury shares).

**Notice of general meetings – Resolution 16**

Changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 increase the notice period required for general meetings of the Company to at least 21 clear days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. (AGMs will continue to be held on at least 21 clear days' notice.)

Resolution 16 seeks shareholder approval to continue to call general meetings (other than AGMs) on less than 21 clear days' notice. The shorter notice would not be used as a matter of routine, but only when the flexibility is merited by the business of the meeting (such as time sensitive matters) and in circumstances where it is to the advantage of the shareholders as a whole. If given, this authority will expire at the conclusion of the AGM in 2011, when it is intended that a similar resolution will be proposed. This is the same authority as was granted at last year's AGM.

**Action required**

Whether or not you are able to attend the meeting, you may complete and submit your proxy electronically by accessing [www.eproxyappointment.com](http://www.eproxyappointment.com). For security reasons, members will need to provide their shareholder reference number (SRN), personal identification number (PIN) and the identifying meeting control number to validate the submission of their proxy online. Members' individual SRN, PIN and control number have been notified electronically to those members who have elected to receive the Company's shareholder communications electronically. Otherwise, members' individual SRN, PIN and control number are shown on the printed Form of Proxy.

If you are a CREST member, you can register your proxy vote electronically by using the service provided by Euroclear.

As an alternative to submitting your proxy electronically, you may complete the Form of Proxy and return it in the prepaid envelope provided to the Company's registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible and in any event so as to arrive not later than 2.30 pm on 22 October 2010, being not less than 48 hours before the time appointed for the meeting. In calculating this date, and in accordance with the provisions of the Company's articles of association and section 360B of the Act, no account shall be taken of a day that is not a working day whilst granting the shareholders the longest possible time to be entered on the register.

For further information, see the instructions printed on the Form of Proxy. Completion and return of a Form of Proxy will not prevent you from attending and voting in person at the meeting should you wish to do so.

**Recommendation**

The board considers that the resolutions set out in the Notice of Annual General Meeting are in the best interests of the Company and of its shareholders. Accordingly, the board recommends shareholders to vote in favour of the resolutions, as each of the directors intends to do in respect of their own beneficial holdings.

Yours faithfully

**Iain Napier**  
Chairman

## Notes

### 1 Proxies

Only holders of ordinary shares are entitled to attend and vote at this meeting. A member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the AGM.

A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company. A Form of Proxy for the meeting is enclosed.

To be valid any Form of Proxy or other instrument appointing a proxy need to be received by post or by hand (during normal business hours) with the Company's registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, or at the electronic address provided in the Form of Proxy, as soon as possible and in any event so as to arrive not later than 2.30 pm on 22 October 2010, being not less than 48 hours before the time of the meeting. In calculating this date, and in accordance with the provisions of the Company's articles of association and section 360B of the Act, no account shall be taken of a day that is not a working day whilst granting shareholders the longest possible time to be entered on the register. If you are a CREST member, see note 3 below.

Completion of a Form of Proxy, or other instrument appointing a proxy, or any CREST Proxy Instruction will not preclude a member attending and voting in person at the meeting.

### 2 Completion of proxies

As an alternative to completing and returning the printed Form of Proxy, you may submit your proxy electronically by accessing [www.eproxyappointment.com](http://www.eproxyappointment.com). For security reasons, members will need to provide their shareholder reference number (SRN), personal identification number (PIN) and identifying meeting control number to validate the submission of their proxy online. Members' individual SRN, PIN and control number are shown on the printed Form of Proxy.

### 3 CREST Members

Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained below.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual subject to the provisions of the Company's articles of association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and Ireland specifications and must contain the information required for such instructions, as described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 2.30 pm on 22 October 2010, being not less than 48 hours before the time of the AGM. In calculating this 48 hours, no account shall be taken of a day that is not a working day. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK and Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

#### **4 Nominated persons**

Under the Act, where a shareholder holds shares on behalf of another person (in the way that most share dealing accounts are set up), the registered shareholder can nominate that other person (a Nominated Person) to receive documents published by the Company, such as reports and accounts and notices of AGMs. Any Nominated Person who has received this notice may, under an agreement with the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the registered shareholder as to the exercise of voting rights.

The statement of the rights of members in relation to the appointment of proxies in paragraphs 1, 2 and 3 above does not apply to a Nominated Person. The rights described in these paragraphs can only be exercised by members of the Company.

#### **5 Corporate members**

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

#### **6 Right to attend and vote**

In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, the Company hereby specifies that, to have the right to attend and vote at the AGM (and also for the purpose of calculating how many votes a person entitled to attend and vote may cast), a person must be entered on the register of holders of the ordinary shares of the Company by no later than 2.30 pm on 22 October 2010, being not more than 48 hours before the time fixed for the meeting. In calculating this date, and in accordance with the provisions of the articles of association of the Company and section 360B of the Act, no account has been taken of a day that is not a working day whilst granting shareholders the longest possible time to be entered on the register. Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

#### **7 Documents on display**

Copies of executive directors' service agreements, letters of appointment of non-executive directors and a copy of the articles of association are available for inspection at the Company's registered office during normal business hours from the date of this notice until the close of the AGM (except days that are not working days). All these items will also be available for inspection at the place of the AGM for at least 15 minutes prior to and during the meeting. The letters of appointment of non-executive directors and the articles of association, as well as the copy of this notice and other information required by section 311A of the Act, will also be available on the Company's website at [www.mcbride.co.uk](http://www.mcbride.co.uk).

#### **8 Total number of shares and voting rights**

As at 2 September 2010 (being the last practicable day prior to the publication of this Notice) the Company's issued share capital consists of 180,223,137 ordinary shares carrying one vote each. (This excludes 817,164 ordinary shares held as treasury shares, which carry no voting rights.) Therefore, the total voting rights in the Company as at that date were 180,223,137.

#### **9 Website publication of audit concerns**

Shareholders should note that it is possible that under section 527 of the Act, pursuant to requests made by members of the Company meeting the threshold requirements under that section, the Company may be required to publish on its website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year beginning 1 July 2010 ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act (in each case) that the members propose to raise at the AGM. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on its website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.

**10 Right to ask questions**

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

**11 Electronic communications**

Any website or electronic address (within the meaning of section 333(4) of the Act) provided either in this Notice of Annual General Meeting or in any related documents (including the Chairman's letter and the Form of Proxy) may not be used to communicate with the Company for any purposes other than those expressly stated.
